Mail Stop Amendment
Commissioner for Patents
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Office Action mailed March 10, 2006, the Examiner indicated that the Amendment filed on December 21, 2005 is not fully responsive to the prior Office Action because "it does not include arguments pointing out specific distinctions believed to render the added new claims 10-13 are [sic] patentable over the applied references." Applicants respectfully disagree with the Examiner's assertion since these claims depend from independent claim 1, which is believed to be patentable as discussed in the previous Amendment. As a result, claims 10-13 are believed to be patentable for at least the reasons discussed in the Amendment regarding claim 1.
